Mater Dei High School Scrip Program Agreement

Mater Dei High School sponsors a Scrip program. The Scrip you purchase through our program generates cash rebates from the participating retailers. These rebates help the school's operating budget while also giving you the option to either gift the remaining portion directly to the school or applying it to your tuition account. In consideration of your participation in the Scrip program and our desire to make your tuition as affordable as possible, we agree as follows:

1. We agree to operate this Scrip program with the help of parent volunteers on your behalf from such retailers and in such quantities as you designate from time to time.
2. As such, we may purchase Scrip in advance or your order to be held as inventory at the school. We will only make advance purchases on your behalf in such quantities and types as are consistent with your and other participants' purchase history.
3. 50% of the Scrip programs monthly rebates are transferred to the school's operating budget to help underwrite the cost of a Mater Dei education.
4. By initialing below, we agree to apply the remaining 50% of rebates as designated below.
